Face Shield

Robust protection when you need it!

MDC Face Shields are a robust, lightweight, single-use shield to protect against splashing and splatters during exposure to fluids. The shield size and durable materials allow for full face protection. MDC Face Shields can be comfortably worn with both safety glasses and respirator masks.

Features:

- **Safety** – Full face coverage, fitting over safety glasses and masks
- **Robust** – Durable material helping maintain the form and shape of the shield
- **Comfort** – Foam headrest and adjustable headband for a comfortable fit
- **Storage** – Ships flat using minimal shelf storage space
- **Fog Resistant** – Maximum visibility and optical clarity
- **Latex free products**
