

# Product Bulletin

<b>Issue/Date:</b>	27 <sup>th</sup> July, 2020	<b>Bulletin Number:</b>	AQ27072020
<b>Subject:</b>	Product Phase-Out and Introduction	<b>Product Line:</b>	SL-1, MP-2-SL
<b>Topic:</b>	SL-1 and MP-2-SL Phase-Out and Aquafine VL Series Introduction		

As a part of our continuous commitment to provide customers with the most current technology and best solutions, Trojan Technologies Industrial (Aquafine) will be phasing out the SL-1 and MP-2-SL systems.

To ensure continuity of service and support during this period, we are offering a last time buy period on systems and will support After-Market-Part for at least 5 years.

- Date for last order acceptance: **August 21<sup>st</sup>, 2020**
- Date for last shipment: **September 4<sup>th</sup>, 2020**
- Support for aftermarket parts until: **August 21<sup>st</sup>, 2025**.

As part of this phase-out, we will be introducing the **Aquafine VL Series**, which is a superior product design offering all of the same core features, with a smaller footprint and more versatile design than the SL Series. The base models will come standard with many add on options that were previously available and will cover similar flow rates.

- First order availability: **August 24<sup>th</sup>, 2020**
- First shipment availability: **September 11<sup>th</sup>, 2020**

## Aquafine® SL Aquafine® VL

Model numbers, specifications and drawings for the **Aquafine VL Series** are now available [here](#) in the Aquafine secure (Distributor Channel Partner) portal under the ‘Secure Content’ section / ‘Aquafine VL’ tab. A full marketing brochure and pricing will become accessible in the coming weeks.
